

PROGRAM TIMETABLE

INTAKE DATES

There are 4 intake periods per year for this program. A program's 'live' learning sessions will commence the first week of each term. Note, it is still possible to commence the program after a term has started, as participants are able to access recorded sessions they have missed and private tutor support if required.

DURATION + TERM DATES

The duration of the course is 12 months with learning activities scheduled over 4 terms of learning. *This includes an 'extension' term that may or may not be needed and allows a participant to fast track and complete their program earlier.

'LIVE' LEARNING SCHEDULE

The 360-degree learning experience has participants undertaking a range of live, scheduled and self-learning activities. In this program, live webinars are hosted every week of term. Participants can attend these live sessions or enjoy a recorded version if they are unable to attend.
