Am I eligible for the Inclusive Employment Australia program?

The program is open to anyone living with a disability, injury, or health condition who has an assessed work capacity of up to 30 hours a week. People with a future work capacity of less than 8 hours a week are welcome to join on a voluntary basis, and there's no requirement to be on income support. Best of all, there are no time limits - you can stay connected with the program for as long as you need our support to reach your goals.

How can I register for the program?

You can join in two ways: through a referral from Services Australia, or by registering directly with Asuria if you are not connected to Services Australia. Our team can help guide you through whichever process applies to you.
