Workforce Australia - Self-Employment Assistance program is designed to help current or aspiring small business owners to realise the dream of starting and running a business.

How we help you get your business off the ground and running

The program provides you with a range of support to start a new business or grow one you already have. Under the program, our Business Mentors help you create or improve a business plan. They will organise small business training to add to your existing knowledge and skills. And most importantly, they will provide you with personalised one-on-one mentoring support for the first 12 months of your business.

Through the program, you may even be eligible to access up to \$300 worth of small business start-up costs, such as business insurance, and an allowance for up to 39 weeks and rental assistance for up to 26 weeks.

Services available in the program include:

- **Exploring Self-Employment Workshop**
- **Small Business Coaching**
- **Accredited Small Business Training**
- **Business Advice Sessions**
- **Business Health Checks**
- **Business Plan Development**
